"A Loving Heart Sees the Need...Doing What Needs to be Done"

My Beloved Central Union Family:

Several months ago the Christian Education Department asked for suggestions on new Bible studies. One of the suggestions was to do a study of God's Promises in the Bible. To that end I have endeavored to share some of the thousands of promises God makes in His word.

Because of circumstances beyond our control, we can't always keep our promises, but the Sovereign God of the universe has never failed to fulfill His word.

In order to understand how important the Lord's faithfulness is, we must recognize that the Christian life is totally dependent upon His promises. In fact, the only reason we are certain we have eternal life, a home in heaven, and resurrection bodies awaiting us is because Jesus guaranteed these things to His followers. The Bible is filled with God's promises, but the most important thing to remember is not how many there are, but the fact that He keeps every single one.

However, this study is more about understanding and acting on the "Promises of God" than attempting to address ALL the many promised contained in the Bible.

Therefore, I have researched numerous sources and settled on a six lesson study entitled "The Promise of God." I pray that you will be blessed by this effort and that you will have a greater, clear understanding of what God's promises to you are and how to appropriate those promises in your life.

Yours in Service,
